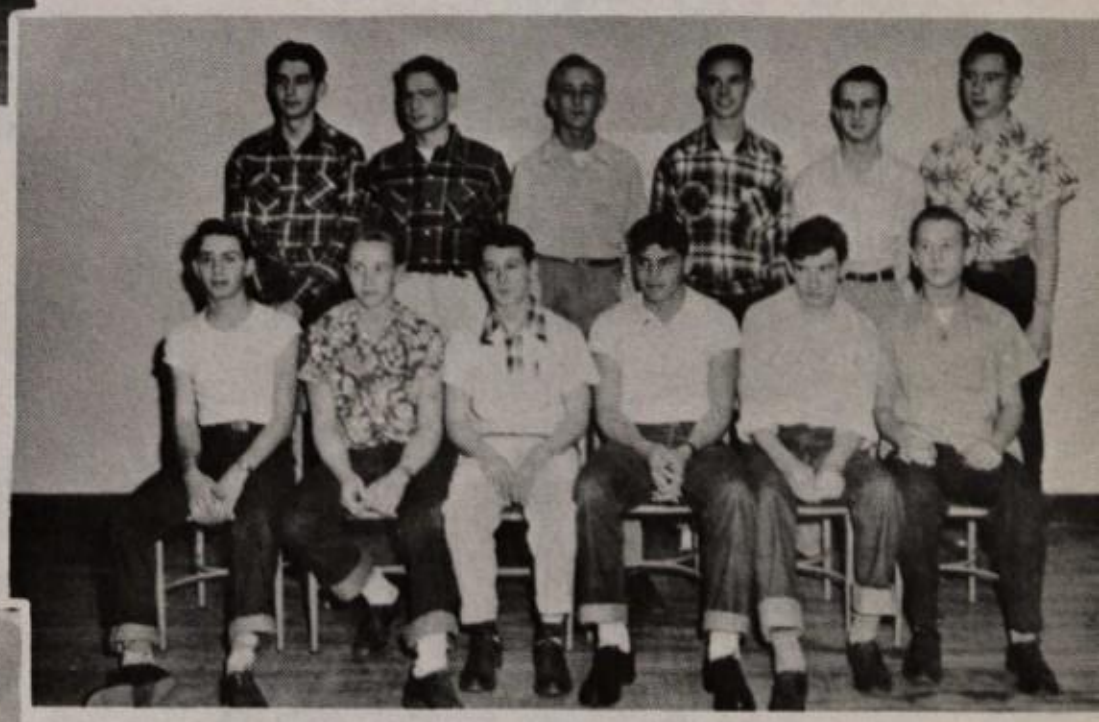
One of the highest honors that any high school student can receive is that of being designated for membership in the National Honor Society. Qualifications for National Honor depend not only upon scholarship, but also upon character, leadership, and service. This award, given to the outstanding high school students, is comparable to that given by Phi Beta Kappa to college students.

HONOR PIN HOLDERS



REGULATIONS FOR HONOR PIN

In order to obtain an honor pin a pupil must earn at least three A's and one B. Three marks, two of which must be A's, must be obtained in prepared academic subjects. Any person who has an E in any subject is not eligible for this award.

FOOTBALL

The 1951 Viking football squad was hampered by inexperience. Only four lettermen returned from the '50 squad. This season was delayed in its starting by a polio epidemic. The North boys put up a good fight on the gridiron, winning one and tieing another. Spirit was a major factor in overcoming the weight and spirit of the opposing teams.

The sophomore team won the city championship. Next year should prove to be a good year for North's football hopes with many returning lettermen. Bob Liddle has moved away from Denver.

GOLF

North placed third in the golf standing this year, the same as last year. Only four schools had teams, since Manual failed to field a team. George Anderson, Gary Christensen, and Norman McKanna led the Viks. Since many on the team are graduating there will be many openings for new players, so all you potential golfers be sure and come out next year.

TENNIS

North's tennis team got off to a poor start by losing their first two matches, but came back winning the next two by great margins. The '51 season was about average, losing four and winning four. East placed a strong first and South second. North took third place.

BASKETBALL

The North team started the season slow, but managed to get a berth in the State meet, combining skill, lots of fire power, and good coaching to advance into the semi-finals. School spirit was at a high mark during the winter sports season. Every game found the city auditorium packed with North rooters.

Two juniors, Irv Brown and Jack Zelinger, were chosen All City. Jerry Villano was elected captain and was the only member of North's squad to be chosen All State. Next year should be another good year for Viking basketball.

WRESTLING

Coach Moles

North Denver captured the city wrestling crown in a hard fought battle with South Denver. In past years North has won fourteen city and fourteen state championships. The Vik grapplers won city and state for six straight years under Coach Moles. However, 1950 and 1951 have been lean years for the matmen, since they lost both years to South Denver.

Besides wrestling ability and good coaching, one of the main factors in winning championships is the teamwork and fellowship of the entire squad. Dick Spiker was injured early in the season, but his replacement, Amado Gutierrez, won all city. Others winning all city honors were Dick Unfer, George Anderson, and Charles Beall. Wayne Humphrey was the team captain. Next season will prove rough, but with four regulars returning, North should again come out on top.

North's hopes for the baseball championship looked bright for the '51 season. East, however edged North out in a tight race.

East defeated North in both games by one run. North lost her only other game to South.

Bob Urich, Larry Tepper, Gene Constable, Bob Kordula, and Jerry Villano all made the all city squad. Pictures were unattainable of Gene Constable and Don Sloane.

Bob Urich lead the regulars by batting a neat 346. Bob Kordula and Jasper Gallagos were also at the top of the list. Gene Constable and Roxie Garramone were two of the top pitchers of the league.

Prospects of a strong '52 team are good.

North fielded a good tank team this year, falling just short of City Championship. The swimmers looked good all year going under to East only. In the State meet North placed third and Ed Weigand and Harvey Sterkel made outstanding showings. Next year should be a good year, since many of the lettermen were sophomores and juniors.

North's 1951 Gymnastic Team overthrew East to become state champions. In the meet held at Colorado Univerisity's Gymnasium North scored 103 points to East's 61 and ended East's three-year-hold on the Gymnastic Championship.

Herb Perry led the Vikings by taking the individual all-round championship. Other leading Vik scorers were Harold Adducci, Lonne Linter, Leonard Olives, and Herb Perry. Many of the lettermen were juniors and sophomores so the prospects of another championship team in 1952 are good.
